Box Tops for Education 2013-2014

- Money currently in the account will be used for whole-school projects/purchases. Totals submitted this year: 4/29/13=\$891.00; 8/5/13=\$247.00 (Total=\$1138.00 to be sent to HW this fall). Balance of Box Tops fund is approximately \$2,500 (plus the \$1138—that check will be here in December).
- Beginning with the 2013-2014 school year, teachers who choose to participate and collect Box Tops will receive 100% of the money for their own classroom use. Homeroom teachers may choose to set collection goals for their students and reward them with extra recess, pj day, etc.
- Teachers who choose NOT to participate: students from those classes could bring in Box Tops for specials' teachers who would like to participate or give their Box Tops to their team teacher if that teacher is participating.
- Students will be given collection sheets—Box Tops will only be collected on these sheets (to make it easier for teachers). They will turn in these collection sheets to their homeroom teacher. Collection sheets can hold 10 Box Tops (equal to \$1.00 earned per collection sheet). I will also print off a collection sheet that holds 50 Box Tops for students who have a bunch (1 sheet would be equal to \$5.00).
- Homeroom teachers will keep their collection sheets in the provided envelope and turn their envelope in to Jill by the required deadline dates. Jill will keep track of how much is collected by each homeroom teacher and communicate balances to teachers. (??Class reward for the most Box Tops collected? Recognition of students who bring in the most Box Tops in all classes?). **BOX TOPS WILL NOT BE ACCEPTED IF THEY ARE NOT GLUED ONTO A COLLECTION SHEET!**
- There will be 2 collection deadlines: Monday, October 28, 2013 and Monday, February 24, 2014. Box Tops must be shipped/postmarked November 1, 2013 and March 1, 2014.
- Box Tops can be collected until the end of the year, however Box Tops for Education only cuts 2 checks per year—one in December and one in April. Your earnings will be carried over into the next year.
- A procedure will be created so that teachers are able to easily use their earnings. Teachers will need to turn in receipts to Sharon to get reimbursed.. Teachers will only have access to the amount that they have collected from the students in their classroom (unless teams decide to combine their earnings).
