Chemistry T-shirt Design

Designer: _____

Date: ____ - ____ - ____ HR: _____

Directions:

1. Create a t-shirt design using the periodic table boxes as letters. Be sure to have school appropriate wording that you would be proud to wear around a grandparent, *parent,* etc.
2. Each box should include: element symbol (remember the 1st letter is CAPITALIZED; second letter in each symbol is lowercase), element name, atomic #, & atomic mass.

Good luck and have fun!

~ Mrs. Roy

Create a minimum of 5 periodic boxes!
