Dear Parent/Guardian,

Our science class is doing an earth science activity next week, on Tues day. We are in need of a few donations. I was wondering if I could bring in (circle one): Graham Crackers, vanilla frosting, at least ___ plastic knives, wax paper, box of snack sized plastic bags, wet wipes, fruit roll ups . . . ? I will let my teacher know by filling out and returning the form, below.

It is okay if we are unable to donate this item, as my science teacher had a lot of people in all of her classes that said they could bring in item(s).

Thank you!
Your 6th grader,

*Thank
you very
much!
