

# Relationship Cartoons

Due date: \_\_\_\_\_

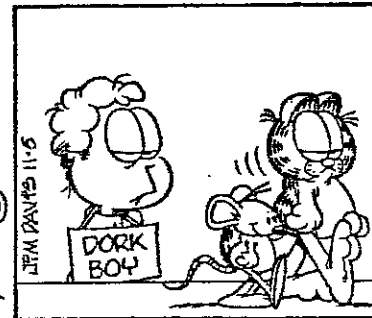

- Draw a cartoon to show ONE of the following relationships between organisms:
  - Mutualism
  - Commensalism
  - Parasitism
- Make sure to have at least 4 different "frames" for your cartoon.
- Make sure that the cartoon is visually appealing.
  - Use color
  - Drawings are neatly done
  - Text is easy to read
  - Use humor when possible
- Cartoons should have pictures, and text.
- Look at the example below for help. 

Name  
your  
cartoon

## Garfield
