

The “Atoms” Family Song with SCIENCE lyrics

They're tiny and they're teeny,
Much smaller than a beany,
They never can be seeny,
The Atoms Family.

They are so small.
(snap,snap)
They're round like a ball.
(snap,snap)
They make up the air.
They're everywhere.
Can't see them all.
(snap,snap)

Together they make gases,
And liquids like molasses,
And all the solid masses,
The Atoms Family

Neutrons can be found,
Where protons hang around;
Electrons they surround
